

# Characteristic Analysis and Virtual Modeling of Two-tooth Difference Rolling Movable Teeth Transmission

Yanfang Wang , Weiwei Song and Rongyu Ge  
College of Mechanical Engineering, University of Jinan, China

- Structure and Transmission Principle of Two-tooth Difference Rolling Movable Teeth Transmission
- Kinematical Pair and Tooth Profile Curve Analysis of Two-tooth Rolling Movable Teeth Transmission
- Virtual Modeling of Two-tooth Difference Rolling Movable Teeth Transmission

Exploded view of the two-tooth difference rolling movable teeth transmission
